Maintaining and enhancing Legendary Run as a desirable residential location.

During the five years we have lived in Legendary Run my wife and I have thoroughly enjoyed the lifestyle, the community of people, and the advantages this planned community has to offer. My goal as a trustee would be to ensure we make good, sound decisions to ensure that the investment in our homes and community continues to grow and prosper. My personal style of leadership is to build consensus, communicate important issues and make decisions based on the impact of the entire community.

Mike Whitney
3340 Legendary Trails Drive
513-947-8165
Resident since 2000

Professional Experience

Manager, Executive, and business ownership background; leadership based on solid teamwork.

The companies I have been associated with (3 in 34 years) have been ones that provide engineered solutions for high tech manufacturers. These solutions require capital investment. Domestic and international experience included. I have had complete P&L responsibility for over 35 years. All years were profitable.

Currently own and operate Creative Strategies LLC (11 years) consulting company with emphasis on strategy design and implementation. Also work as a coach and trainer for operating personnel and executives for successful sales development, and building greater customer loyalty. Domestic and international clients served.

Education

BS University of Notre Dame- Mechanical Engineering
MBA Western Michigan University – Finance and Economics
Continuing Education at Yale, Xavier, and Arizona State Universities

Memberships

National Association of Business Economists
American Society for Training & Development
American Precision Museum

Mike's Legendary Community Vision

Legendary is a community that defines itself as a place where people are caring neighbors. Legendary is a community that is proactive in planning for an enjoyable, safe, and sustainable future. Legendary is a beautiful community that takes responsibility for investing community funds within affordable boundaries and in a prudent manner, resulting in the greatest good for all residents

John Zaring
3424 West Legendary Run
Resident since 2000

Proven Leadership / Experienced Manager

- 38 Year Career in Construction Management – Turner Construction Co.
- Financial Administrator – Armstrong Chapel UMC
- Owner Representative for construction projects. – presently Armstrong Chapel UMC
- Military Service – Ohio National Guard, 1st Lt., Corps of Engineers
- Previously served on the Sycamore Trace community board (Blue Ash)
- University of Virginia – B.S. in Civil Engineering
- Proud grandfather of two wonderful grandchildren – Ashley and John David

Goals for serving on the Legendary Run Board

My goals as a Trustee would be to use my experience and expertise to help: (1) keep our community on a sound financial basis, (2) while maintaining the exterior standards of our beautiful community, both common and private property areas and (3) searching for ways to improve these items.
