

Swimming Lessons at Legendary Run!

CINCINNATI POOL MANAGEMENT, INC.

OUR PHILOSOPHY

At Cincinnati Pool Management children are rewarded with praise for a job well done. They are never forced to perform a skill that they are not ready for. We believe that with patience, positive encouragement, and frequent repetition of skills, your child will have a happy, safe and successful swimming experience.

CLASS DESCRIPTION

Tadpoles: For children three years old and up who are unable to swim ten feet unassisted. This class emphasizes water orientation, basic water safety, and developing a comfort level with the water.

Primary Skills: The object of this course is to give students success with fundamental skills. Students learn to float without support and recover to a vertical position. This level marks the beginning of true locomotion skills.

Stroke Readiness: Students must be comfortable in the water. Students must swim independently for six feet. Basic skills for front crawl and backstroke are taught as well as diving.

Stroke Development: Students must be able to swim a minimum of 35 feet of both beginner front crawl and backstroke. The object to this course is to develop confidence in skills learned thus far. The breaststroke, sidestroke, and the basics of turning at the wall are introduced.
